I have no pain in my foot/pain	I can drive my car as long as I want without any
The pain in my foot/ankle is intermittent or mild and does	foot/ankle pain.
not limit my activity	I can drive my car as long as I want, but it increases pain
The pain in my foot/ankle is intermittent but limits my activity	in my foot/ankle I can drive my car 31-60 minutes before my foot/ankle pain
The pain in my foot/ankle is constant and moderately limits	gets worse
my activity	I can drive my car 11-30 minutes before my foot/ankle
The pain in my foot/ankle is constant and severely limtis	pain gets worse
my activity	I can drive my car for only 10 minutes or less before my foot/ankle
The pain in my foot/ankle is constant and I am unable to do	foot/ankle pain gets worse.
anything	I am unable to drive my car because of my foot/ankle pain.
SECTION 2 – STANDING	puni.
I can stand as long as I want to	
I am able to stand for over 60 minutes before symptoms	SECTION 8 – SLEEPING
increase	I have no trouble sleeping
I am able to stand 31-60 minutes before symptoms increase I am able to stand 11-30 minutes before symptoms increase	My sleep is slightly disturbed by foot/ankle pain. (It wakes me up 1 time/night)
I am only able to stand 11-30 minutes before symptoms increase	My sleep is mildly disturbed by foot/ankle pain. (It
less	wakes me up 2 times/night)
I am unable to stand for any length of time	My sleep is moderately disturbed by foot/ankle pain (It
	wakes me 3-4 times/night)
SECTION 3- WALKING/WEIGHT BEARING TOLERANCE	My sleep is greatly disturbed by foot/ankle pain (It
I can walk normally without assistive devices	wakes me 5-6 times/night) My sleep is completely disturbed by foot/ankle pain (It
I can walk without assistive devices, but only for 31-60 minutes	wakes me 7-8 times/night or more)
I can walk without assistive devices, but only for 30	wakes the 7's timestright of more)
minutes or less	SECTION 9 – HOUSE & YARD WORK
I can walk as far as I need but I must use assistive devices	I have no foot/ankle limitations with house or yard work
I must use assistive devices and can bear only partial weight	I am able to do all house & yard work necessary if I take
on my injured foot I must use assistive devices and can bear minimal to no	a few breaks I am able to do all house & yard work necessary, but it
weight on my injured foot	increases my foot/ankle pain
worght on my mjarou root	I am able to do some, but not all, house & yard work; it
SECTION 4 – CLIMBING STAIRS	increases my foot/ankle pain
I am able to go up & down stairs normally	I am able to do only the minimum of house & yard work
I am able to go up & down stairs step over step if I go	because of my foot/ankle pain
slowly I am able to go up & down stairs step over step but only a	I am unable to do any house or yard work because of my foot/ankle pain
limited number at a time	loovatikie pairi
I am able to go up & down stairs but only one at a time	SECTION 10 - RECREATION/SPORTS
I am able to go up & down a limited number of stairs and	I am able to engage in all my recreation/sports activities
only one at a time	with no foot/ankle symptoms
I am unable to use stairs	I am able to engage in all my recreation/sports activities with some symptoms in my foot/ankle
SECTION 5 – SWELLING	I am able to engage in most, but not all, of my usual
I have no swelling with my highest level of activity	recreation/sports activities because of symptoms in my
I have minimal swelling only after my highest level of	foot/ankle
activity	I am able to engage in a few of my usual
I have no swelling with normal daily activity	recreation/sports activities because of symptoms in my
I have minimal swelling after simple activity  I have almost constant swelling but it can be controlled by	foot/ankle I can hardly do any recreation/sports activities because
medication/rest/ice/compression/elevation	of symptoms in my foot/ankle
I have constant swelling without relief	I am unable to do any recreation/sports activities because of my
foot/ankle	symptoms
CECTION C. MODIZ
